Reference Number: 220-RPP/2011/4
Date: 31 January 2011
To: All T-GST Registered Persons
Subject: T-GST Return

All T-GST registered persons are hereby requested to use the **January 2011 version** of T-GST Return (MIRA 201), available for download from our website. The new version clarifies issues which were unclear in the December 2010 version and incorporates suggestions we received during taxpayer education sessions. The version number of forms issued by MIRA is indicated beneath the form number on the top right corner of the form.

It is recommended that you fill in your T-GST return on a computer using Adobe® Reader®, which will generate a barcode that automatically captures the data on your return. If you fill in your return manually, you will need to wait until we have keyed the data into our system before we can issue a voucher for your return, and this may take us some time.

In order to assist you with your return filing, we have also prepared the following guides, both available for download from our website.

- Instructions on completing MIRA 201, which is a comprehensive guide on how you should go about filling in your T-GST Return.
- A guide on calculating the amount complimentary services you can claim in a given taxable period.

Should you have any queries, please email us at registration@mira.gov.mv.

Thank you,

Yazeed Mohamed
