Making tax payments via MRTGS

MIRAconnect users who file their returns online can now make their tax payments via their banks. The process is as follows:

1. Taxpayer will file his return online via MIRAconnect. The taxpayer will receive an email with the form required for his MRTGS payment.

2. The taxpayer will need to fill in the details required for the MRTGS payment, in addition to the details already pre-filled.

3. The taxpayer will then need to take the form to the bank housing the account he wishes to make the payment from.

4. Bank will verify the account holder details and process the remittance request.

5. If the taxpayer wishes to obtain evidence of the payment, bank will stamp and sign on the duplicate copy of the form presented by the customer.

6. Once the bank approves the payment, MMA will receive the payment in real time and the relevant government account will be credited the same day.

Note:
- Your bank may charge a fee for this service.
- MMA will initiate the daily fund settlement run at 2pm each day. To make the payment by this time, it is the responsibility of the taxpayer to present the MRTGS form to the bank before the cut-off time set by the bank.
- MIRAconnect users who choose to pay via MRTGS will be given relief from late payment penalties for two days from the deadline.
Making tax payments via VaaruCard, and BML Debit and Credit Cards

MIRAconnect users can also make their tax payments via MIRA’s Vaaru Card and with the BML Debit and Credit cards.

The process is as follows:

1. Taxpayer will file his return online via MIRAconnect.

2. Once return is filed, taxpayer’s payment obligation will be updated. Taxpayer can then click on the payment obligation and choose to pay online.

3. The taxpayer will then need to enter the details of his preferred card into the system and submit the payment.

4. The taxpayer will receive confirmation of the payment via a pop up message and email.

Why use MIRA’s online payment options?

Easy
You do not have to come to MIRA to make your payments. You can do so from your banks or at the convenience of your home or office.

Safe, secure and reliable
The payment options provided are 100% safe and secure. And you can be certain that your money is deposited where it needs to be.

Less time consuming
You don’t have to spend time waiting in a line at MIRA. Pay your taxes online in just a few minutes!
